REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:
2. The terminal disclaimer filed on 1/7/04 disclaiming the terminal portion of any patent granted on this application which would extend beyond the expiration date, has been reviewed and is accepted. The terminal disclaimer has been recorded.
3. Applicant's terminal disclaimer and remarks filed on 1/7/04 have been fully considered. In light of the content of these paper, previous 112 and 103 rejections of record are herein withdrawn. The remaining prior art references, taken alone or in combination, do not fairly suggest or disclose the presently claimed process. Accordingly, the instant invention as defined by claims 1-32 is now patentable with respect to prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
